

Site Visit Tips and Tricks

Presented By:

Tina Krajacic (Morning Session)

tkrajaci@valleyhealthlink.com

Ashley McDonald and Sara Kiely (Afternoon Session)

amcdonald@indianarmc.org and sara.kiely@prevea.com

Objectives

What we want you to learn

- 1: Understand what is expected before, during and after a CLER Site Visit
- 2: Learn what is needed to prepare for a CLER Site Visit
- 3: Discuss differences in CLER Site Visit within individual programs

Information

What you need to know

- **Site Visit = Check boxes for ACGME**
- **Don't be intimidate - it can be so much information - break it down into spreadsheet or task list**
- **Plan to educate the residents and faculty - basics of site visit, questions, what they need to know.**
- **Day of Virtual Site Visit - Clear your calendar, take notes & troubleshoot!**
- **After the Site Visit - Celebrate a job well done!**
